INDEPENDENT AUDITOR'S REPORT

To the Board of Commissioners
The Housing and Redevelopment Commission
of the City of Lemmon, South Dakota

We have audited the accompanying financial statements of The Housing and Redevelopment Commission of the City of Lemmon, South Dakota, a component unit of the City of Lemmon, South Dakota (the Commission), as of and for the year ended September 30, 2012, as listed in the table of contents. These financial statements are the responsibility of the Commission's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Housing and Redevelopment Commission of the City of Lemmon, South Dakota, a component unit of the City of Lemmon, South Dakota, as of September 30, 2012, and the changes in financial position and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated June 20, 2013, on our consideration of The Housing and Redevelopment Commission of the City of Lemmon, South Dakota's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3 through 8 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Commission's basic financial statements. The Commission's Financial Data Schedule (FDS), as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the basic financial statements of the Commission. The FDS is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Lemmon Housing Authority Management's Discussion and Analysis For the Year Ended September 30, 2012

Introduction

This Management's Discussion and Analysis (MD&A) of the Lemmon Housing Authority (Authority) provides an introduction and overview to the financial statements of the Lemmon Housing Authority for the fiscal year ended September 30, 2012. The Lemmon Housing Authority presents this discussion and analysis of its financial performance during the fiscal year ended September 30, 2012, to assist the reader in focusing on significant financial issues.

The primary focus of the Authority's financial statements is on the statements of its single enterprise fund encompassing all programs administered by the Lemmon Housing Authority. This information contained herein this MD&A should be considered in conjunction with the Authority's basic financial statements and related notes to the financial statements.

The Authority has three individual programs. They include the Low Rent Public Housing Program, Capital Fund Program, and a Management Program.

- The Low Rent Program consists of 43 dwelling units. Funding is provided based on dwelling rents paid by the tenants and operating fund payments received by the Department of Housing & Urban Development based on a formula.
- The Capital Fund Program is also a formula based program from HUD. The purpose of this program is to provide funding for the modernization and improvement of the Low Rent Public Housing Program. These resources allow the Housing Authority to provide capital improvements for the current dwelling structures and assist in their operations.
- The Management Program manages 8 units developed by the Lemmon Housing Authority and financed by Housing Development Bonds. Rent for the units is based on current market rates.

Overview of the Financial Statements

This overview of the financial statement is intended to inform and introduce the reader to the Authority's basic financial statements. The basic financial statements are comprised of three individual statements. These statements include:

- The Balance Sheet
- The Statement of Revenues, Expenses and Changes in Fund Net Assets
- The Statement of Cash Flows

The Balance Sheet presents information on the assets and liabilities, with the differences between the two being reported as net assets. Over time, increases or decreases in net assets may serve as a useful indicator of whether the financial situation of the Authority is improving or deteriorating. Net Assets is comprised of three individual components:

- Invested in Capital Assets, Net of Related Debt consists of capital asset balances net of accumulated depreciation less any outstanding balances of related debt associated with these assets
- Restricted Net Assets consists of assets that are restricted by limitations placed on these assets by an external source or party.
- Unrestricted Net Assets consists of net assets that do not meet the definition of the above categories. Unrestricted net assets represent the amount of funds available for future year appropriations.

The Statement of Revenues, Expenses and Changes in Fund Net Assets reports the operating revenues, operating expenses, non-operating revenues, and non-operating expenses of the Authority for the fiscal year ended September 30, 2012 to determine the change in net assets for the fiscal year.

The Statement of Cash Flows reports cash activities for the fiscal year resulting from operating activities, investing activities, non-capital financing activities, and capital and related financing activities. The net result of these activities represents the increase or decrease of the cash equivalent account balance for the year ended September 30, 2012.

Financial Highlights

- The Lemmon Housing Authority's total net assets decreased from \$985,887 to \$859,646; a decrease of \$126,241 or 12.80%. Total assets decreased by \$69,044 or 4.26%.
- Unrestricted net assets are \$113,680 at September 30, 2012. This represents a decrease of \$93,357 or 45.09% from the previous year.
- Total revenues decreased from \$328,833 to \$256,792, an decrease of \$72,041 or 21.91%.
- Total expenses increased by \$10,192, from \$372,841 to \$383,033 for the current year. This represents an increase of 2.73%.

Housing Authority Activities & Highlights

The Housing Authority's overall financial position and operations for the past two years are summarized below based on the information in the current and prior financial statements. The table below lists the asset and liability comparisons for the year ended September 30, 2012 and September 30, 2011.

Current Assets

The decrease in Current Assets is primarily due to unrestricted cash, which decreased from \$148,303 to \$83,966, a decrease of \$64,337 from September 30, 2011 to September 30, 2012. The decrease is due to the capital asset purchases and debt payments.

Capital Assets

Capital assets, net of accumulated depreciation increased by \$7,515. This is due to capital purchases exceeding depreciation expense and will be discussed in the capital assets section.

Current Liabilities

Current liabilities increased from \$51,975 to 71,553; an increase of \$19,578 from September 30, 2011 to September 30, 2012. This is due to larger accounts payable balances and additional debt payments required in the coming year.

Net Assets

The Authority's total net assets decreased \$126,241 from the previous year.

The Authority's unrestricted net assets decreased from \$207,037 to \$113,680; a decrease of \$93,357 or 45.09% from the prior year. The unrestricted net assets represent the amount available for future appropriations. This balance is subject to program specific guidelines. Individual program balances are as follows:

Results of Operations

Revenues of the Authority are generated principally from dwelling rents and HUD grants (Operating and Capital Funds). The Authority's revenue decreased \$72,041 during the current fiscal year. Significant changes noted between the current and prior fiscal years include:

- Operating and Capital Grant revenue decreased \$82,285 during the current year.
 This was due to an anticipated decrease in HUD funding.
- Rental revenues increased by 5.32% due primarily to expansion in the Management Program.

Total expenses increased \$10,192 from the previous year. Significant changes in specific accounts include the following:

- The increase is due primarily to maintenance costs and utilities.
- Interest expense decreased in spite of an increase in overall debt. The rate on one of the Revenue Bonds was lowered significantly toward the end of the prior fiscal year.

Capital Assets

As of September 30, 2012, the Lemmon Housing Authority's investment in capital assets was \$1,391,947. This investment includes land, buildings, and equipment.

| Table 3 Changes in Capital Assets | | | | | | | | | |

| Total | 648,453 | 606,694 | 41,759 | 6.88% | | | | | |

As of September 30, 2012 the Authority had \$581,745 in revenue bonds outstanding. During the current year, the Management Program financed the purchase of two rental units with mortgage notes payable. Refer to the Notes to the Financial Statements for further discussion of the Bonds and Notes Payable.

The Compensated Absences represent employee leave payable at the end of the year. Authority classifies a portion of the employee's leave as long term. This is because the Authority does not anticipate paying out the total amount accrued in the upcoming fiscal year. The amount estimated as long term was \$1,631.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2012

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The Housing and Redevelopment Commission of the City of Lemmon, South Dakota (the Commission) was organized in 1968 pursuant to the Municipal Housing and Redevelopment Act of South Dakota as a public housing agency formed to provide financial assistance for low income public housing pursuant to the United States Housing Act of 1937, (42 U.S.C. 1401, et seq.). The mayor and City commissioners appoint the five members of the governing board for five-year staggered terms. The public housing authority (PHA) board elects its own chairperson and recruits and employs its management personnel and other workers. The local governing board of the City of Lemmon, South Dakota has the ability to veto or otherwise modify a housing commission's decision to construct a specific project and issue debt.

The primary government is the City of Lemmon, South Dakota.

The Housing and Redevelopment Commission of the City of Lemmon, South Dakota, a component unit of the City of Lemmon complies with GASB Statement No. 14, *The Financial Reporting Entity*.

This statement establishes standards for defining and reporting on the financial reporting entity. It defines component units as legally separate organizations for which the elected officials of the primary government are financially accountable and other organizations for which the nature and significance of their relationship with a primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

The Commission considered all potential component units in determining what organizations should be included in the financial statements. Based on these criteria, there are no component units to be included in the Commission's financial statements.

Nature of Business

The Housing and Redevelopment Commission of the City of Lemmon, South Dakota administers PAS/LOCCS Project No. SD025-1, under Annual Contribution Contract DEN-569 consisting of 43 conventional low rent units.

NOTES TO FINANCIAL STATEMENTS – continued SEPTEMBER 30, 2012

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Nature of Business, continued

Additionally, the Commission has constructed two four-plex rental facilities and purchased two single-family rental properties. These projects are not low income housing programs and rental charges are based upon current market rate for similar type housing in the local area.

Basis of Presentation

All activities of the Commission are accounted for within a single proprietary (enterprise) fund. Proprietary funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

Measurement Focus and Basis of Accounting

Measurement focus refers to what is being measured, basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurement made, regardless of the measurement focus applied.

The financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. The economic resources measurement focus means all assets and liabilities (whether current or non-current) are included on the balance sheet and the operating statement present increases (revenues) and decreases (expenses) in net total assets. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recognized at the time the liability is incurred.

NOTES TO FINANCIAL STATEMENTS – continued SEPTEMBER 30, 2012

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Cash and Cash Equivalents

For purposes of reporting the statement of cash flows, the Commission considers all highly liquid investments (including restricted assets) with an original maturity of three months or less when purchased to be cash equivalents. Certificates of deposit, regardless of maturity, are not considered to be cash equivalents.

Accounts Receivable

All tenants accounts receivable are shown net of an allowance for doubtful accounts. The allowances for uncollectible accounts receivable is calculated based on historical trend data.

Capital Assets

All acquisitions of property and equipment in excess of \$1,000 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized.

Capital assets are recorded at cost. Donated capital assets are valued at their estimated fair value on the date donated. Interest costs incurred during construction of capital assets are capitalized along with other capital asset costs. Depreciation is computed principally by the straight-line method over the following estimated useful lives:

| • | <u>Years</u> |
|-----------------------------------|--------------|
| Buildings | 15-40 |
| Improvements other than buildings | 15 |
| Furniture and equipment | 3-5 |

NOTES TO FINANCIAL STATEMENTS – continued SEPTEMBER 30, 2012

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Equity Classifications

Equity is classified as net assets and is displayed in two components:

- a. Invested in capital assets, net of related debt Consists of capital assets, including restricted capital assets, net of accumulated depreciation and reduced by amount of any bonds or mortgage notes.
- b. Restricted net assets Consists of net assets with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions of enabling legislation.
- c. Unrestricted net assets All other net assets that do not meet the definition of "restricted" or "invested in capital assets, net of related debt."

Application of Net Assets

It is the Commission's policy to first use restricted net assets (if any), prior to the use of unrestricted net assets, when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

Operating Revenues and Expenses

Operating revenues are those revenues that are generated directly from the primary activity of the entity. For the Commission, these revenues are charges for dwelling rents. Operating expenses are the necessary costs incurred to provide the service that is the primary activity of the entity. Revenues and expenses not meeting these definitions are reported as nonoperating revenue. The primary nonoperating revenue is HUD PHA grants.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expense during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS – continued SEPTEMBER 30, 2012

DEPOSITS AND INVESTMENTS

Various restrictions on deposits and investments are imposed by statutes. These restrictions are summarized below:

Deposits – The Commission's deposits are made in qualified public depositories as defined by SDCL 4-6A-1. Qualified depositories are required by SDCL 4-6A-3 to maintain at all times, segregated from their other assets, eligible collateral having a value equal to at least 100 percent of the public deposit accounts which exceed deposit insurance such as the FDIC and NCUA. In lieu of pledging eligible securities, a qualified public depository may furnish irrevocable standby letters of credit issued by federal home loan banks accompanied by written evidence of that bank's public debt rating which may not be less than "AA" or a qualified public depository may furnish a corporate surety bond of a corporation authorized to do business in South Dakota.

Investments – In general, SDCL 4-5-6 permits housing authority funds to be invested in (a) securities of the United States and securities guaranteed by the United States government either directly or indirectly; or (b) repurchase agreements fully collateralized by securities described in (a); or in shares of an open-end, no-load fund administered by an investment company whose investments are in securities described in (a) and repurchase agreements described in (b). Also, SDCL 4-5-9 requires that investments shall be in the physical custody of the political subdivision or may be deposited in a safekeeping account with any bank or trust company designated by the political subdivision as its fiscal agent.

Custodial Credit Risk – Deposits – The risk that, in the event of a depository failure, the Commission's deposits may not be returned to it. The Commission does not have a deposit policy for custodial risk. As of September 30, 2012, the Commission's deposits were fully insured or collateralized and were not exposed to custodial credit risk.

Investments – As of September 30, 2012, the Commission had no investments.

Interest Rate Risk – The Commission does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

NOTES TO FINANCIAL STATEMENTS – continued SEPTEMBER 30, 2012

2. DEPOSITS AND INVESTMENTS, continued

Credit Risk – State law limits eligible investments for the Commission, as discussed above. The Commission has no investment policy that would further limit its investment choices. As of September 30, 2012, the Commission had no investments.

Concentration of Credit Risk – The Commission places no limit on the amount that may be invested in any one issuer. As of September 30, 2012, the Commission had no investments.

5. PAYMENTS IN LIEU OF TAXES

Payment in lieu of taxes at September 30, 2012 was \$14,467. The expense represents 10% of gross rents less utilities.

RETIREMENT PLAN

All employees, except for part-time employees who work less than twenty hours per week and temporary employees, participate in the South Dakota Retirement System (SDRS), a cost-sharing, multiple employer public employee retirement system established to provide retirement benefits for employees of the State of South Dakota and its political subdivisions. The SDRS provides retirement, disability, and survivors' benefits. The right to receive retirement benefits vests after three years of credited service. Authority for establishing, administering and amending plan provisions are found in South Dakota Codified Law 3-12. The SDRS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to the SDRS, P.O. Box 1098, Pierre, South Dakota 57501-1098 or by calling (605) 773-3731.

General employees are required by state statute to contribute 6% of their salary to the plan. State statute also requires the employer to contribute an amount equal to the employee's contribution. State statute also requires the employer to make an additional contribution in the amount of 6.2 percent for any compensation exceeding the maximum taxable amount for social security for general employees only. The Commission's share of contributions to the SDRS for the fiscal years ended September 30, 2012, 2011 and 2010 was \$3,340, \$3,183, and \$2,390, respectively, equal to the required contributions each year.

RISK MANAGEMENT

The Commission is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees, and natural disasters. During the period ended September 30, 2012 the Commission managed its risks as follows:

NOTES TO FINANCIAL STATEMENTS – continued SEPTEMBER 30, 2012

7. RISK MANAGEMENT, continued

Employee Health Insurance

The Commission purchases health insurance for its employees from a commercial insurance carrier. Settled claims resulting from these risks have not exceeded the liability coverage during the past three years.

Liability Insurance

The Commission purchases liability insurance risks related to torts, theft, or damage to property; and errors and omissions of public officials from a commercial insurance carrier. Settled claims resulting from these risks have not exceeded the liability coverage during the past three years.

Worker's Compensation

The Commission purchases liability insurance for worker's compensation from a commercial carrier. Settled claims resulting from these risks have not exceeded the liability coverage over the past three years.

Unemployment Benefits

The Commission provides coverage for unemployment benefits by paying into the unemployment compensation fund established by state law and managed by the State of South Dakota.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN **AUDIT OF FINANCIAL STATEMENTS PERFORMED** IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Commissioners The Housing and Redevelopment Commission Of the City of Lemmon, South Dakota

We have audited the financial statements of The Housing and Redevelopment Commission of the City of Lemmon, South Dakota, a component unit of the City of Lemmon. South Dakota (the Commission) as of and for the year ended September 30, 2012, and have issued our report thereon dated June 20, 2013. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered The Housing and Redevelopment Commission of the City of Lemmon, South Dakota's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of The Housing and Redevelopment Commission of the City of Lemmon, South Dakota's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of The Housing and Redevelopment Commission of the City of Lemmon, South Dakota's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above. However, we identified certain deficiencies in internal control over financial reporting, described as Finding 2012-1 in the accompanying Schedule of Findings and Responses that we consider to be significant deficiencies in internal control over financial reporting. A significant deficiency is a deficiency or combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Commission's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Housing and Redevelopment Commission of the City of Lemmon, South Dakota's responses to the findings identified in our audit are described in the accompanying Schedule of Findings and Responses. We did not audit the Commission's response and, accordingly, we express no opinion on it.

We noted certain matters that we reported to management of the Commission in a separate communication dated June 20, 2013.

This report is intended solely for the information and use of federal awarding agencies and pass-through entities, the South Dakota Legislature, state granting agencies, and the governing board and management of the Commission and is not intended to be and should not be used by anyone other than these specified parties. However, as required by South Dakota Codified Law 4-11-11 and OMB Circular A-133 §__.320, this report is matter of public record and its distribution is not limited.

SCHEDULE OF PRIOR AUDIT FINDINGS SEPTEMBER 30, 2012

Prior Audit Findings

Segregation of Duties

Repeated as Finding 2012 - 1

SCHEDULE OF FINDINGS AND RESPONSES FOR THE YEAR ENDED SEPTEMBER 30, 2012

SECTION II - FINDINGS - FINANCIAL STATEMENTS AUDIT

Finding 2012 - 1 Segregation of Duties (Repeat Finding)

Significant Deficiency

Condition:

Our study and evaluation of internal control structure policies and procedures disclosed that there is a weakness in controls in effect at The Housing and Redevelopment Commission of the City of Lemmon, South Dakota (the Commission) relating to a lack of segregation of duties.

Questioned Costs:

None.

Criteria:

Proper segregation of duties results in increased reliability of reported financial data and decreased potential for the loss of public assets.

Effect:

At times there is an inadequate segregation of duties for these accounting functions. Although the staff attempts to divide the various tasks so that one person does not control a transaction from beginning to end, that is not always possible.

Recommendation:

Management and the Board of Commissioners should constantly be aware of this condition and realize that the concentration of duties and responsibilities in a limited number of individuals is not desirable from a control point of view. The most effective controls lie in the Management's knowledge of the matters relating to the Commission's operations, and their monthly review of expenditures and financial information.

SCHEDULE OF FINDINGS AND RESPONSES FOR THE YEAR ENDED SEPTEMBER 30, 2012

SECTION II FINDINGS - FINANCIAL STATEMENTS AUDIT

2012 – 1 Segregation of Duties, continued

Management's Response:

The Executive Director of the Commission is the contact person responsible for the corrective action plan. This finding is a result of the size of the Commission, which precludes staffing at a level sufficient to provide an ideal environment for internal controls. The Commission's Management has determined it is not cost beneficial to employ additional personnel just to be able to adequately segregate duties for accounting functions. The Commission's Management is aware of this problem and is attempting to provide compensating controls wherever and whenever possible and practical. However, this lack of segregation of duties regarding accounting functions continues to exist.
